What do the route letters mean?
TARTA combines numbers with letters on some of its routes that may have the same destination but get there differently. Routes that combine the letter "X" with its number means it's an express route. For example, route 29X goes directly to the Central Business District from Waterville, while route 31G goes to Southwyck Blvd. and back via Glendale Ave. making stops along the way—31H goes via Heatherdowns Blvd. with stops as well.

- 29X Waterville Express
- 31G Glendale / Southwyck
- 31H Heatherdowns / Southwyck
